Mercantile Commercial projects record loan volume for 2007

Orlando Business Journal

Mercantile Commercial Capital LLC says it expects to post a record volume of loans for 2007.

The Altamonte Springs-based company is projecting it will end the year with a total of \$89 million in loans.

The company, which specializes in **U.S. Small Business Administration** 504 loans, closed on 34 loans this year for a volume of more than \$63.6 million - an 8 percent increase over the same period last year.
